

INTERNATIONAL FORUM ON PERIOPERATIVE SAFETY & QUALITY

Vienna, 31 May 2019

Friday, 31 May 08:00 - 08:15 **Welcome and Introductions** Schubert 4

Chair:

Linda Mason (Schaumburg, United States) – ASA President
Mary Dale Peterson (Corpus Christi, United States) - ASA President-Elect
Stefan De Hert (Ghent, Belgium) – ESA President
Kai Zacharowski (Frankfurt, Germany) - ESA President Elect

KNL Keynote Lecture Friday, 31 May 08:15 - 09:00 **Human performance and the improvement of perioperative care** Schubert 4

Chair:

Johannes Wacker (Zürich, Switzerland)

Speaker

Rhona Flin (Aberdeen, United Kingdom)

P Panel Friday, 31 May 09:00 - 10:15 **Panel 1: Update on perioperative drug shortages – responding to a global challenge** Schubert 4

Chair:

Beverly Philip (Boston, United States)

Medication shortages as a perioperative safety issue

Beverly Philip (Boston, United States)

Current safety-relevant medication shortages

Daniela Filipescu (Bucharest, Romania)

A mandatory short list of anaesthesia-related agents – strategies for collaborative international action

Adrian Gelb (San Francisco, United States)

Moderated panel discussion

Friday, 31 May 10:15 - 10:45 **Coffee Break**

BS	Breakout Session	Friday, 31 May 10:45 - 12:00	Parallel Breakout Sessions I Breakout 1.1: Workforce shortages and perioperative patient safety	Schubert 4
-----------	------------------	---------------------------------	---	---------------

Chair:

Adrian Gelb (San Francisco, United States)

Availability of anaesthesia providers – global trends

Jannicke Mellin-Olsen (Rud, Norway)

Anaesthesia team – workforce requirements for safe practice

Ioana Grigoras (Iasi, Romania)

David Whitaker (Manchester, United Kingdom)

Economic crisis and the anaesthesia workforce

Eleni Katsika (Thessaloniki, Greece)

BS	Breakout Session	Friday, 31 May 10:45 - 12:00	Parallel Breakout Sessions I Breakout 1.2: Integrating clinical and safety approaches to improve postoperative pain management	Schubert 1
-----------	------------------	---------------------------------	--	---------------

Chair:

Daniel Arnal* (Alcorcon, Spain)

Integrating clinical and safety approaches to improve postoperative pain management

Rita Katznelson (Toronto, Canada)

Johannes Wacker (Zürich, Switzerland)

Friday, 31 May
12:00 - 13:00

Lunch break

P	Panel	Friday, 31 May 13:00 - 14:00	Panel 2: Improving patient safety and quality at the “Institutional level”	Schubert 4
----------	-------	---------------------------------	---	---------------

Chair:

Daniel Arnal* (Alcorcon, Spain)

Safer perioperative care – lessons for anaesthesia departments from RCoA’s National Audit Project

William Harrop-Griffiths (London, United Kingdom)

Resilient Healthcare: how can it help to improve performance?

Sven E. A. Staender (Maennedorf, Switzerland)

BS	Breakout Session	Friday, 31 May 14:15 - 15:30	Parallel Breakout Sessions II Breakout 2.1.: Medical devices, information security, and patient safety	Schubert 4
-----------	------------------	---------------------------------	--	---------------

Chair:

Keith Ruskin (New Haven, United States)

Medical devices, device interoperability, and perioperative patient safety

James H. Philip (Boston, United States)

Wearable and wireless monitors – any safety concerns?

Frédéric Michard* (Denens, Switzerland)

Hazards resulting from health information technologies – cues from incident reports

Maria Lema Tome (Madrid, Spain)

BS	Breakout Session	Friday, 31 May 14:15 - 15:30	Parallel Breakout Sessions II Breakout 2.2.: Anaesthetic practice and quality improvement	Schubert 1
-----------	------------------	---------------------------------	---	---------------

Chair:

Beverly Philip (Boston, United States)

Children in general anaesthesia practice – quality lessons from APRICOT

Karin Becke (Nürnberg, Germany)

Making anaesthesia quality data collection a success – a Swiss experience

Guy Serge Antoine Haller (Geneva 14, Switzerland)

Using incident reporting to improve perioperative care – experience from SENSAR

Daniel Arnal* (Alcorcon, Spain)

Friday, 31 May
15:30 - 16:00

Coffee Break

P	Panel	Friday, 31 May 16:00 - 17:00	Panel 3: Safety tools for individual clinicians	Schubert 4
----------	-------	---------------------------------	--	---------------

Chair:

Sven E. A. Staender (Maennedorf, Switzerland)

Coping with distractions and time pressure in the OR – suggestions for clinicians

Matthew Weinger (Nashville, United States)

How to improve risk management and decision making in the perioperative setting

Keith Ruskin (Chicago, United States)

Friday, 31 May
17:00 - 18:00

Reception
